

Noblesville Rugby Association
A Non-Profit Organization

Corporate Sponsorship Program

The Noblesville Rugby Association is a non-profit organization that uses 100% of all sponsorship money to benefit the rugby program in Noblesville and surrounding communities. Your tax deductible gift enables girls and boys development opportunities to assure continued growth in the game of Rugby in Indiana. The Noblesville Rugby Association does not profit from any school sports program, and is a totally volunteer program where no board member or coach receives any compensation of any type.

Since 1999 we have had opportunities to practice and play on donated land, however, building opportunities have limited our practice and play space. It is imperative that we raise monies to achieve the goal of obtaining a permanent field. In order to accomplish this goal we will need financial support from businesses to achieve long-term success. Along with the determination to hold fundraisers we will then be able to apply for grants to help us complete our dream.
